Debit Card Terms and Conditions

The use of the Debit Card (herein called "card") issued by Bowater Employees Credit Union (herein called "Credit Union") is issued to the owner(s) (herein called "cardholder(s)") of accounts for use with such account(s) as described in the card application form subject to the following terms and conditions.

1. The card issued by the Credit Union is the sole property of the Credit Union, which may retrieve, limit or issue a new card at any time without prior notice to the cardholder. The card may be captured automatically at an ATM at any time. Upon request, the cardholder will cease to use the card and return it to the Credit Union immediately.
2. The Credit Union will determine the means and conditions under which a card may be issued or retained and the type transaction which may be made. The Credit Union reserves the right to establish and maintain service charges and/or transaction fees and may change such fees and charges from time to time. The Credit Union will make every possible attempt to notify the cardholder in writing in advance of any changes in the terms and conditions pertaining to the use of the card or the establishment of new ones thereof.
3. The first named person on an account is the Primary Owner. Only the Primary Owner may authorize a Joint Owner to access his/her account(s).
4. The cardholder is responsible for the use of the card and for maintaining the card and Personal Identification Number (PIN) with maximum security. Each card is issued to an individual and only that individual may use the card. The Cardholder may not give their card or PIN to anyone else. Cardholder agrees to take all reasonable steps to locate, apprehend, and prosecute unauthorized user(s) of the card and to assist the Credit Union, where lawful, in these efforts.
5. Each cardholder, by acceptance and/or use of the card authorizes the Credit Union to pay, from any account he/she may have with the Credit Union, any amount necessary to satisfy any transaction, fee, or service charge which results from the use of this card.
6. Card transactions are governed by these Terms and Conditions and any other terms that apply to any account affected by such transactions, including agreements, charter, bylaws, rules and regulations, in addition to any applicable laws. Any Credit Union business transacted by use of the card is not finalized as it pertains to any account(s) until the Credit Union has verified and processed the transaction on its records according to its usual procedures, regardless of any receipt produced from the ATM at the time of the transaction.
7. The Credit Union is authorized to treat any transaction made by the cardholder to be the same as if cardholder(s) signature(s) was affixed to said transaction document. Difficulties or complaints should be reported

by the cardholder(s) directly to the Credit Union.

8. Expenses incurred by the Credit Union to research a disputed transaction(s) will be paid by the cardholder when such transaction(s) is proven to have been made by an authorized user. Cardholder agrees to pay all expenses he may incur in the apprehension and prosecution of any unauthorized user(s).

9. The Credit Union will not be responsible for the condition of any ATM it does not own, nor will it be liable for any failure or malfunction of the equipment or system except as specifically provided by law. Cardholder will examine his/her periodic statements from the Credit Union and promptly and report any errors or unauthorized transactions. Cardholder liability for unauthorized transactions is limited as provided by law. The rules for unauthorized transfers and error resolution are contained in the disclosure statement which is given upon receipt of the card.

10. Cardholder may cancel his agreement with the Credit Union at any time by notifying the Credit Union in writing and returning the card cut in half. In that event, all rights and obligations for any transaction occurring before the Credit Union receives notice of this cancellation shall be determined by this agreement.

11. The Credit Union reserves the right to make additions or deletions to these terms and conditions from time to time.

12. All Debit Transactions. The total amount of purchases and cash advances you may make using your Debit card is limited to the lesser of the available balance in your checking account, or \$5,000 per day for point of sale transactions and \$5,000 per day for cardholder not present transactions and \$500 per day at ATMs, unless you request and are approved a higher limit by us. You may not use the card for any illegal or unlawful transactions, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Debit cards do not work outside the U.S. for point of sale or cardholder not present transactions.
