

Board of Directors Nominations

The credit union's Nominating Committee is responsible for making recommendations for vacancies on the Board of Directors. The Nominating Committee is now soliciting members' comments and suggestions for nominees to fill these positions.

Suggestions, comments, petitions and resumes should be mailed to: Chairperson, Nominating Committee Bowater Employees Credit Union, P.O. Box 359, Calhoun, TN 37309.

Ninety (90) days prior to the Annual Membership Meeting, the committee will prepare a preliminary slate of nominations and post them in the credit union offices and on the credit union website.

If members desire to nominate a candidate in addition to those shown on the preliminary slate, they may do so by filing a nominating petition signed by at least 1% of the membership and the member nominated, and submitting a complete resume of the person nominated.

Closing date for filing a nominating petition with the committee will be sixty (60) days prior to the Annual Membership Meeting. No nominations shall be made from the floor at the Annual Membership Meeting. Nominating petitions and resume forms may be obtained from any office of the credit union or by writing to the Chairperson of the Nominating Committee (address given above).

A complete list of nominees and voting instructions will be posted in each credit union office and in the "Moneywise" newsletter. Results will be announced at the Annual Membership Meeting.
